Re: Hirsch v. Hirsch

Dist. Court Docket No.: 05-CV-1454

/s/ Carol B. Amon

Dear Judge Amon,

5/26/05

The undersigned is counsel for Nachama Hirsch, the Appellant in the above referenced appeal.

The Court has been gracious enough to extend the Appellant's time to brief the appeal. To date, there have been two (2) short extensions of the original briefing schedule. The present briefing schedule is as follows:

Appellants brief to be served and filed by May 26, 2005.

Appellee's opposition brief to be served and filed by June 27, 2005.

Appellants reply brief to be served and filed by July 10, 2005.

My mother-in-law is suffering from progressive lung cancer and moments ago, was re-admitted to North Shore Hospital. The news is not encouraging and I am now needed over the next few days to attend to this issue.

Re: Hirsch Appeal

May 25, 2005

I have substantially completed the Appellant's brief but will not be able to finalize it before tomorrow. Accordingly, fearing the worst, I ask this Court under the circumstances to extend the schedule as follows:

Appellants brief to be served and filed by June 14, 2005.
Appellee's opposition brief to be served and filed by July 15, 2005.
Appellants reply brief to be served and filed by July 29, 2005.

I am apologetic to the Court for this late request, but under the present circumstances, I once again ask the Court's consideration. This is the third request for an extension which was previously granted by this Court. The proposed schedule has been consented to by Joseph Haspel, Esq., counsel to the Appellee.

I thank you in advance for all courtesies.

Respectfully,

By:
